FIRST QUARTERLY BOARD MEETING

Our newly elected president, Mrs. John Wylie of Tampa, has called the first quarterly board meeting of her term for August 12th and 13th. The meeting will be held in Orlando at the San Juan hotel as in the past. The meetings will get under way at 8 P.M. Saturday evening and at 9:30 A.M. Sunday morning.

The members of the Executive Committee, (Which consist of the elected officers and the Executive Secretary) the nine elected Directors, the Chapter President or his representative, and the appointed Directors at Large are the governing body of the AHS and should attend these board meetings. They are the only ones with a voice and vote at the meetings.

Any member who wishes can come as an observer, but they will not have a vote in the meetings. Needless to say there will be committee chairmen called on to report, tho they may not be a member of the board.

This year those who have business to bring up are asked to contact the Executive Secretary so that this business may be placed on the agenda ahead of time. In this way you will be assured of time to propose your new business.

All members of the board are urged to attend this meeting. Lets get off to a good start.

NOMENCLATURE NEWS

Our president has appointed Mr. Eric Golby, Mr. Ralph Philo and Mr. Bruce Parnell as co-chairman of our nomenclature committee. It is still the duty of each chapter to select one person to serve on this committee with these three men. As soon as you have your nomenclature man or lady picked out please let the Executive Secretary and Mr. Golby know who 'tis.

We are informed that Mr. Ross Gast's #232 red has been named. It is now called "Tom McCahill". Better change your tags.

Also we are told by Mrs. Tom Hudson that "H Bomb" should be "Dr. Maguda" so there is another tag change to be made. The correct name is now "Dr. Maguda".

A new registration has been sent in. Mr. Barling has forwarded the card for "Anita Shaffer" to this office.

ANITA SHAFFER - Single - By H. E. Shaffer

Bloom: 5 to 6", fully overlapped, satiny, crepy, ruffled and tufted of heavy texture. Ovate petals, two day flower that sometimes petaloids.

Color: Fringed with Burnt Orange (14-1), Claret Rose (21-1), zone shaded to Claret Rose (21-13), throat Rose Opal (22-1), stamin 2 3/4" of Tangerine (9-3), Stigmas Fire Red (15).

Bush: Upright, vigorous grower, grows,best in shade and grafted.

Parents: Ross Estes & Dr. DuPuis

We would like to extend our heartfelt thanks to Burt Barling who had labored hard and long to do the fine job he has done on the Nomenclature Committee. For the past several years he has had very little help. Perhaps now he can take a much needed rest. We all thank you very much, Burt, for your many long hours of work on this committee. We take our hats off to you for a job well done. Thank you.
